

Six Great Ways To Market Your Event

1. Put the flier EVERYWHERE in the church and on campus. All the doors and on every bulletin board.
2. Put the flier in the bulletin. If you cannot spare a whole page use the blurb in the marketing sheet.
3. Use social media and email blasts. Ask your active parishioners to forward the emails to their lists as well.
4. Send fliers home to the parents of all Faith Formation groups. This is an important talk for parents.
5. Consider putting an event team together. Ask 10 people to personally invite 10 friends.
6. Most Important!!!: Make a pulpit announcement with a personal invite at the Sunday Masses before the event.

Thank you for doing all you can to market this event.
